Rentals / Installations

Our Rental Department goes further than our warehouse shelves filled with exceptionally maintained equipment. Our up-to-date knowledge of industry gear allows us to configure and provide the system that fits your needs. Our inventory includes:

- Sound Equipment
- Lighting Equipment
- Digital Projection Systems
- Staging/Platform Solutions
- Rigging/Motors
- Power Generation/Distribution
- Genie Lifts/Scaffolding

Dynamic provides equipment from industry leading manufacturers including EAW, Shure, Allen and Heath, Senheiser, ETC, Altman, Yamaha, JBL, QSC, Crown, Crest, Stage Research, High End Systems, Electro-Voice, XTA, Midas, Rosco, Pioneer and many more.

Dynamic's services also include many types of industrial and home system installations. Taking into consideration the usage of the space, we will provide a complete, ready-for-use system for your theatre, club, auditorium, house of worship, school, lecture hall, office or home.

Our staff will conduct site surveys and research the acoustics, layout and style of your space to ensure that your new or upgraded system will sound, look and operate flawlessly.

Our Statement

Dynamic Productions is an up-and-coming full service production company based just outside of New York City. Just five years ago, sparked by passion, founded on dreams and grown through dedication, we have become the business our clients trust for all their production needs.

The key to our success is simple: we bring professionalism, uniqueness and excitement to each client on every occasion. We realize every event is special and important, and have built our company focusing on just that. We meet the challenges of crafting each event into perfection with enthusiasm and await the opportunity to add you to our list of satisfied customers.
